AUDITOR'S REPORT

We report that we have audited the Annexed **Balance Sheet** of **The Institution of Engineers (India), Odisha State Centre** as at **31st March, 2020**, signed by us under reference to this report and the related **Income & Expenditure Account** for the year ended on that date which are in agreement with the books of accounts maintained at **Odisha State Centre, The Institution of Engineers (India), Bhubaneswar, Odisha**.

We have conducted our audit in accordance with auditing standards generally accepted in India. Those Standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by the management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion and to the best of our information and according to the explanations given to us the Balance Sheet and the relative Income and Expenditure Account together with the notes thereon and subject to the comments (Annexure - I) give a true and fair view of the state of affairs of **The Institution of Engineers (India), Odisha State Centre, Bhubaneswar** as on **31st March, 2020** and the excess of its Income over expenditure for the year ended on that date.

Subject to the comments (Annexure-I) we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for our audit.
